

03 October 2019

TO ALL CONCERNED PARTIES

Change of Philippine telephone numbers with local area code (2) or international code (+632)

The National Telecommunications Commission of the Philippines issued a directive for all 7-digit telephone numbers with area code (2) to be migrated to an 8-digit format effective October 6, 2019.

A prefix will be added to existing 7-digit phone numbers based on their telco carriers.

Carrier	Country Code	Area Code	Prefix to be added	
Bayantel	+63	2	3	Existing phone number
Eastern	+63	2	5	Existing phone number
ABS-CBN	+63	2	6	Existing phone number
Globe/Innove	+63	2	7	Existing phone number
<i>PLDT/Digitel</i>	+63	2	8	<i>Existing phone number</i>

The Company's updated telephone number is **+63 2 8 8175011 to 13**

Today you can still contact our office by dialing +63 2 8175011 to 13 but effective October 6 you can reach us by dialing +63 2 **8**8175011 to 13.

Thank you very much!
